SHEFFIELD COLLECTION

Traditional

SERIES OF FINE WOOD CARRIAGE DOORS

SHEFFIELD COLLECTION

The Sheffield Collection exemplifies our commitment to creating beautifully-crafted carriage doors with exceptional value. Designed with stile and rail joinery, Sheffield is expertly assembled with finely-milled, clear Spanish cedar hardwood frames and panels.

An extensive portfolio of popular styles and wide array of options give Sheffield incredible design versatility, for both new construction and remodeling. Add to that, other great available add-ons like Artisan factory finishing and decorative hardware, and it's easy to see why a carriage door with this much character and richness belongs in a class all by itself.

SH-SW-16L-AT-4FP Features Tongue and Groove Panels with Flush Edges

SH-SW-32L-2AT-8FP (Double Door)

Popular Carriage Door Styles

Sheffield is available in Swing, Trifold, and Bifold styles to complement most types of architecture.

Standard and Custom Sizes

Choose from 7 ft and 8 ft heights in both single and double sizes, or specify a custom size, to fit most new construction and remodeling applications.

Premium Choice Hardwoods

Sheffield is made of clear Spanish cedar, a hardwood ideal for stain or paint finishes, which is known for its beautiful grain and superior weathering characteristics.

Many Elegant Panel Styles

Choose from seven panel styles to create a look that harmonizes with the surrounding architecture.

True Divided Lites

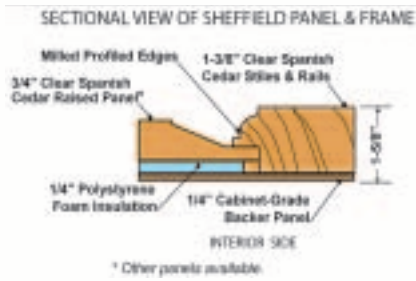

Authentic true divided lites create unmatched detailing and come in a variety of muntin patterns to mimic many window styles.

SUPERB PANEL QUALITY & SELECTION

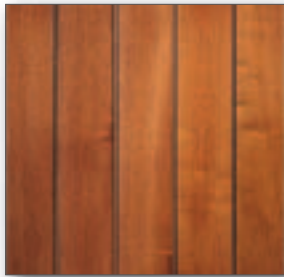

Our attention to detail and superior quality gives each panel the distinction reserved only for the finest carriage doors. With Sheffield, you get seven styles of panels to choose from, which means you'll have significantly more design possibilities.

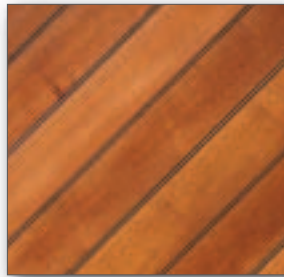

SH-BF-4L-HB-4BP Features Herringbone Panels with Beaded Edges.

ARTISAN ENDURAFINISH™ STAIN COLORS

To preserve the natural beauty of Artisan doors and eliminate on-site finish work, The Sheffield Collection can be ordered pre-finished from the factory with the Artisan EnduraFinish, a 5-step polyurethane stain or paint coating system formulated exclusively for clear Spanish cedar. The Artisan EnduraFinish is incredibly durable, and has the feel and look of a furniture-quality finish that cannot be duplicated at the job site. Choose from 12 stain colors below, or submit your custom paint color to Artisan.

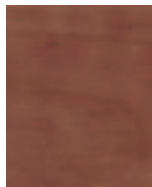

Note: Stain colors will vary with the texture of the wood.

Burnt Oak

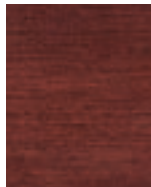

Early American

Red Mahogany

Golden Oak

Dusty Mahogany

Rich Cherry

Cinnamon

American Walnut

Colonial Mahogany

Royal Cherry

Fireside

Traditional Mahogany

Colors shown are as close to actual as allowed by the printing process. Actual stain on wood samples are available.

DOOR SPECIFICATIONS & CONSTRUCTION

- Frame consists of 1 3/8" clear Spanish cedar and 1/4" plywood backer to create overall frame thickness of 1 5/8". Stiles and rails are coped and glued together, then secured using pocket holes and stainless steel screws. A layer of polystyrene foam insulation is placed between the front panel and plywood backer.
- Flat smooth panels are 9/16" solid clear Spanish cedar.
- Tongue and groove panels consist of 9/16" solid clear Spanish cedar.
- Raised panels are 3/4" solid clear Spanish cedar.
- Glazing is double strength clear glass.
- Grid patterns use true divided lites and 1 1/4" wide window muntin bars.
- Bottom astragal is EPDM rubber u-seal mounted in an aluminum retainer.
- Cedar door stops are available and include a choice of white, brown, sandtone or gray vinyl weather seals.

HARDWARE SPECIFICATIONS

- Vertical and horizontal tracks are 2" wide, 0.057 and 0.069 thick, respectively. Available track designs include 15" radius (16" headroom*), 12" radius (13" headroom*), 6" low clearance (10" headroom), 3" low clearance (6" headroom*).
- *headroom for door and electric opener.*
- Door hinges are 14-gauge galvanized steel.
- Struts are 2 1/4" wide, 20-gauge galvanized steel.
- Rollers are nylon ball-bearing with zinc-plated shafts.
- Torsion springs are rated at 10,000 cycles.
- Cables are 3/32" strand aircraft-type.

OPTIONAL POWDER COATED TRACK & HARDWARE

Black

White

Copper

FIELD FINISHING

Door sections must be finished on all six edges upon delivery and prior to installation. For staining, use Sikkens wood preservative. For painting, use a high-quality latex or oil-based product.

GUARANTEED FOR QUALITY

Artisan warrants each Sheffield door for a period of two years against manufacturing defects.

SH-TF-18L-3BP (also shown on front cover) Features Tongue and Groove Panels with Beaded Edges. Factory Finish Stain Color: Traditional Mahogany.
